This beautiful home offers the feeling of an "in-city retreat" with its park-like setting and unobstructed views of Haller Lake from all dayrooms and the daylight basement. Spacious, open great room combines living room, dining room and updated kitchen. There are three bedrooms, 1.75 bathrooms plus an office on the main floor. The lower level boasts a recreation room, 2nd office, laundry room, ½ bath (roughed in), and a huge shop/storage space. The enormous yard has two patios, mature landscaping and access to lake at street end park!
